## "Framing Your Thoughts" and Written Expression Overview

**The New Hampshire IDA Board is offering a FREE workshop for the  
2013 NHIDA Fall Conference attendees ONLY.**

**"Framing Your  
Thoughts"**

and

**Written Expression  
Overview**

presented by

**Bonnie Bell and  
The Language Circle**

*The NHIDA Board feels that the presentation by Stephen Graham at our fall conference did not go into enough detail on how to teach the writing process to students with language based learning disabilities.*

*We support the Language Circle's **Framing Your Thoughts** program, a program that more accurately reflects the Board's philosophies regarding written language instruction for dyslexic learners.*

*You are invited to attend a free workshop on **Framing Your Thoughts** presented by Bonnie Bell and The Language Circle on Saturday, January 11, 2014. A basic starter kit and breakfast will be provided.*

*Space is limited: Only the first 60 people to respond via email will be eligible to attend this free workshop! This invitation is on a first come, first serve basis. No substitutions!*
